PENNSYLVANIA CLASSIC AUTO MALL A MUST-SEE DESTINATION

THE Classic Auto Mall in Morgantown, PA is a sight to be seen by any car enthusiast. Classic Auto Mall is a world class consignment house located in southeastern Pennsylvania with indoor showroom space for up to 1,000 collectable and special interest vehicles for sale.

On the last day of March, we attended and had the good fortune to meet with Stewart Howden, CEO of Classic Auto Mall, who showed us an insider's view point of the auction. We were able to tour the entire facility and were granted access to closed areas not normally open to the general public.

There were hundreds of cars from every make, model, and year – including many rare “never before seen” cars. There was a barn find section that was jaw dropping and had something for everyone's taste. It was like going to car heaven!

This is also the perfect place to sell your car, too. The Auto Mall is open six days a week, with interested parties traveling to see the rare finds every day. Once you place your car for sale there, you get 90 days in the indoor showroom for free, with an option to extend for an additional 90 days (for a fee) if your car doesn't sell.

A 10% commission on your sale is all the Auto Mall requests to have your car on display in their high-traffic indoor showroom. Applications and additional information will be made available at our April meeting.

We are now accepting applications for 2019 Season Member Sponsors!

Please visit our website and select the “Application” tab to apply!

AMCOMC ASKED TO SHOW CARS AT CHARITY EVENT ONCE AGAIN

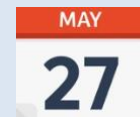

AMCOMC will have a great opportunity to showcase some of our finest Cuban-style cars at an upcoming charity event at the Rumson Country Club on May 3. We are planning to sport many of the flamboyant pastel-colored cars from the 1950s era. We have identified a list of members whose cars met the criteria and have been asked to donate their time to this cause. All have responded that they will attend – pictures to come!

BRONC SHINE EXHIBIT PLANNED FOR AMCOMC APRIL MEETING

MEMBER Sponsor Pete Bruncati of Bronc Shine will be doing a presentation on his car wax and fine detailing products at our meeting on April 17. Pete will also be selling his great products at the end of his presentation. With parade season upon us, be sure to stock up on your supply for this year to keep your cars show-ready all season long. Also, be sure to like Bronc Shine on Facebook to keep up-to-date with all of his products.

SHOW HIGHLIGHT: HIGHLANDS

ON May 10, we have a special car show on Bay Avenue in the Highlands from 5pm to 9pm. It is the first for the business district in the Highlands. Trophies, good food, good fun, and great company. Hope to see you there!

‘THE GAVEL’: A NOTE FROM PRESIDENT JACK TORRES

THE month of March is finally behind us and it’s now full steam ahead to April. The month started off strong – with a garage tour at Rick Stoeber’s Classic Car garage. We also have a great wax presentation planned for our club meeting by Member Sponsor Peter Bruncati of Bronc Shine at our April meeting on the seventeenth.

We already have a strong calendar starting in May, with us participating in a few charitable events planned early in the month. Things really get busy on the last Monday, with several Memorial Day parades planned. I’d like to take this time to remind everyone that we strongly request and encourage your participation in the Little Silver Memorial Day Parade. Our participation in this parade allows our use of the Woman’s Club as our monthly meeting space, free of charge.

Aside from that, it’s time to get your cars ready for the long season of events and more importantly, have your cars parade ready! Check your brake system and cooling system as part of parade essentials. Fire extinguishers filled and at the ready, top off your car’s fuel, and check engine and transmission oil. Being on top of your cars’ essential needs will make your season go smoothly and with a little luck, problem free. I’m looking forward to seeing everyone at some upcoming events!

*Wishing you endless
miles and memories,*
