## AN OPEN LETTER FROM THE DESK OF THE PRESIDENT

We are thrilled to begin the 2017 year and are looking forward to the new opportunities that the year will bring! 2017 will be a year for upgrade and enhancements within the club.

It is in that spirit that we announce our first upgrade of the year: we have a team who is actively working on updating and enhancing our website to have a modern look/feel and functionality for all of our current and prospective members to enjoy.

However, we cannot move forward and celebrate our new website without first thanking Robert Howson for his all of his dedication and hard work setting up and administering our website since its inception.

We have had overwhelming demand by current and prospective members to upgrade and modernize our website appearance and some of its content. At the most recent election, the club voted Danielle Torres as the person who would spearhead this initiative.

Danielle graduated from Monmouth University with a Bachelor of Arts degree in Psychology with a minor in Information Technology, which will be perfect for her new position as Webmaster.

With the assistance of the club stating their requests for the site, Danielle's expertise, and Robert's assistance during the transition, together we will collectively make our website state-of-the-art, addressing all members needs and concerns.

## FROM THE GAVEL

I would like to wish everyone a very happy and prosperous 2017 as we look forward. I am hoping that this coming year is filled with love, health, and happiness for all of us – we sure need it!

Now that the New Year is here, I want our club to continue in the path of growth, especially with the consistent build of our membership – ideally with members who participate in activities that help the club grow.

One of the biggest pieces of my agenda for 2017 is to add more motoring events to our club calendar in an effort to take full advantage of our climate and beautiful scenery that Monmouth County has to offer. After all – we are the Antique *Motoring* Club of *Monmouth County*, right?

In addition to our own motoring events, I look forward to filling our calendar with year-long events that members love to be part of.

As always, I am asking you – our membership – for help in making our club the best it can be. I ask that you continue to give me your thoughts and ideas that can take our club to the next level. I am looking forward to another year as Club President with you.

*Wishing you endless miles and memories,*

*Jack*
