2017 AMCOMC SUMMER PICNIC SETS THE BAR HIGH ONCE AGAIN

When it comes to having a summer picnic and showing our members and sponsors that we are serious about keeping our wonderful sport and hobby alive, we mean it. On Saturday, July 15, the club hosted its 2017 summer picnic and being well-entertained and well-fed is quite the understatement.

Our 2017 picnic was held at the picturesque Davis Farm in Wall, NJ thanks to our gracious hosts and club sponsors Vincent and Pasquale Del Ponte and Richard “Dick” M. Davis. They welcomed our club, all of our members and their guests, as well as our sponsors, friends, and families. It was great to see people mingling with old friends and new friendships being forged.

Everyone’s favorite picnic-style foods were on the menu, plus some added surprises like donations of personal pizzas and pepperoni rolls from our sponsor, Del Ponte’s Coal Fired Pizza. We also had great music thanks to our members Rick and Liz Lonardo and plenty of door prizes for our emcee Sean Fitzgerald to give away thanks to our generous member sponsors.

A sincere ‘thank you’ and our limitless appreciation and gratitude goes out to our picnic volunteers. The picnic was a huge success, mainly thanks to their hard work and dedication, stepping up and giving up their time and hard labor in hot, summery conditions so that everyone else could enjoy the day. Just to name a few: Les and Sharon Barr, Mitchell Barr, Dani Apel, Marty Economides, Jim and Sandy Cattelona, Bernie and Trudy Merer, Charlie and Lynn Jackson, Ernie and Marie Emrich, Charlie and Sandy Wines, Bill and Jane Stryker, Sean Fitzgerald, Danielle Torres, Sue Fitzgerald, Wanda Torres, and Ray Slocum – and anyone else whose name we did not mention.

This picnic would NOT have been possible without the financial support of our sponsors. The flexibility as a club to afford a picnic this size would have cost us a fortune. Our pizza parties, coffee, treats, and other goodies are also made possible by their generosity as well. We salute you and thank you for your continued support of our club. Everything that we do is a direct reflection of your selfless contributions!

UPCOMING VOTE: FLAG APPAREL

We will be taking a vote on a new piece of apparel that was introduced by our printer, Mario Lubrani. The polo shirts are white and come in men’s and women’s sizes, with the American flag on one of the sleeves. The shirts will have the club logo and the name of the member on the shirt. An official vote, along with discussions on pricing, will take place during our July meeting. If approved, our Apparel Coordinator, Mike Cannizzaro will have them available for purchase.

CARS & COFFEE GARAGE TOURS

Member Frank Barone will be hosting a garage tour/cars & coffee event this weekend on Saturday, July 22. Frank’s address will be posted on our website under the ‘Events’ section. Mark Halsband will also host an on August 5 and the times/location will be reviewed at July’s meeting and posted on the website.

AMCOMC WINS BIG AT RB SHOW

Sunday, July 9 was the Liberty Hose Red Bank Firefighter Car Show and for the third year in a row, AMCOMC took home the five-foot trophy for the Most Participated Car Club with 43 members present at the show. Almost 400 cars were present at what could possibly be the final event at the White Street location due to possible development of a parking facility. Congratulations to all who participated!

UPCOMING: S. PLAINFIELD SHOW

Jay-Bee Entertainment’s Car Truck & Bike Show will be held at the Everest Institute on Saturday, July 29. There will be \$1,000 in cash prizes awarded for the most participated car club, with \$600 to the first-place team. Last year, the winners had only 26 cars – we can beat that without a problem! Hope to see you all there!

NY GROUP FIELD TRIP PLANNED

Harold Marmel has the oldest car in the club with his 1899 Reese Tri-Wheeler, which will be on display in the Museum of Art in Queens, NY. We will be discussing a group trip during our July meeting.

FROM THE GAVEL

It is with great pleasure that I say that our 2017 summer picnic was a huge success. The show of support from members and member sponsors was overwhelming and I can't thank them enough (even though I've given it a good effort) for all of their contributions. We had over 10 members manning the grills to ensure that everyone was well-fed and didn't wait for a thing.

Contributions from the entire club were felt as the legs on the dessert table buckled and the buckets overflowed with ice to keep all of our refreshments chilled for that extremely hot day. I want to thank each and every one of you for the huge effort and helping hand you gave making this year's summer picnic sensational.

We still have plenty of events left for the summer (including that cash prize at South Plainfield that I'd REALLY like our club to win) that I hope to see you at. Remember to stay hydrated and stay in the shade if you can – it's been a hot one this summer!

With the picnic behind us, I haven't been able to sleep without hearing jingle bells. My focus will now shift to the holiday party and as always, I welcome those of you wishing to volunteer to come and chat with me.

Wishing you endless miles and memories,

Jack
