CLUB PAYS TRIBUTE TO RAY CASS

On Tuesday, June 13, 2017, many members and friends of the Antique Motoring Club of Monmouth County attended the first cruise night of the year at our latest member sponsor Michael Schoelkopf's The Sitting Duck Restaurant in Long Branch. At the show, we – along with a bunch of our friends – paid homage to the memory of car enthusiast, restoration expert, master lead welder, and friend to all, Ray Cass.

Ray had been a fixture in our world for many years. A very helpful man, Ray was always eager to pass on his experience and knowledge to anyone in need of assistance with their car. Ray had a few beautiful cars that he was so proud of and was often the envy of all classic car guys and gals. His mid-30's Ford Convertible is a gem and was a winner at the Monmouth County Concours D'Elegance.

AMCOMC presented an award plaque to Ray's family and thanked them for allowing us to share Ray with them. Ray's daughter Joy and son-in-law Kevin accepted the award in Ray's memory. We also had Ray's mass card read by Larry Mihlon and a moment of reflection from Ray's best friend, Stu Berg. There were over 60 friends on hand for the presentation. Ray will be dearly missed by all.

AMCOMC 'HAS A BALL' AT GAME

Located across the street from our meeting hall, The Parker Homestead – 1665 held its second annual Parker Baseball Day on June 11. The vintage-style baseball game utilizes the playing grounds adjacent to the property and Sickles Market. The players dressed in vintage attire and played using the baseball rules of the time period. The club also brought out our vintage collection of automobiles to complete the ambiance.

A special 'thanks' goes out to our members who brought their cars and donated their time: David Kenny (1910 Ford Model T Depot Hack), Robert Howson (1931 Ford Model A), Chris Wantuck (1930 Lincoln Convertible), Jack Daly (1927 Lincoln L7 Limo), Jack Torres (1923 Overland Model 91 Touring Convertible), and Charlie Wines (1966 Ford Mustang) as an attention grabber.

AMCOMC WINS BIG AT A.H. SHOW

We had another great time at the 2017 Atlantic Highlands car show on June 10. We had a large number of members in the Winner's Circle and we even won the Most Participated Car Club at the event with 25 members present! Great job and thanks to all!

FROM THE GAVEL

It's finally time for 'fun in the sun' again! Car shows and parades are popping up everyone and it's one great event after another. A great event that is on our immediate horizon and always lives up to its billing is our annual club summer picnic.

Putting a bunch of great people together in one place to have an enjoyable time with beautiful cars, delicious barbecued food, great music, and awards to our attendee-voted "Best in Show" are all on the menu for this year's summer picnic.

This year's picnic committee is working diligently to bring you the best in foods, music, prizes, and so much more. AMCOMC's 2017 Summer Picnic will be the event that all future events are measured by.

We are fortunate to be able to secure the Davis Farm as the site of this year's summer picnic once again. It is with sincere appreciation and gratitude that we thank our gracious hosts and owners, Vincent and Pasquale Del Ponte and Dick Davis for allowing our club to hold this great event at the Davis Farm.

Like previous summer picnics, we will look to provide a day of safe, summer enjoyment and fun for all club members. This event is free to all members who have paid their 2017 dues. A charge of \$10 per car containing non-members will be assessed to offset the cost of food. Don't forget your sunblock!

Wishing you endless miles and memories,

Jack
