AMCOMC SHOWS LARGE SIZE, DIVERSITY ON MEMORIAL DAY

DURING Memorial Day weekend, a large number of parades were held to celebrate our country and the veterans who fought in support of our country. At the annual Little Silver and Middletown parades, we had 31 members who showed a nice mix of century-old makes and models. From American cars of the 1900s through current model year, Model A's started our lineup, moving through decades of great cars – including muscle cars and Italian, British, and German vehicles. Many members were also seen sporting their new American flag club shirts – thank you for showing your support!

HAPPY BIRTHDAY AMCOMC!

Established in 1963, AMCOMC turns 55 years young in 2018 and continues to grow!

MEMBERS LEARN ABOUT 'KEEPING IT COOL' IN SUMMER

Article contributed by Member Shelly Kennedy

LONG-TIME club member Dominic Laneve gave a timely and interesting presentation at the May meeting on how air conditioning works. Members were treated to a simple explanation with helpful diagrams. The concepts could be applied to both home and vehicle A/C systems. The presentation finished with several questions from members. A big thanks to Dominic for taking the time to develop this presentation for us.

GET YOUR ORDERS IN!

The long-awaited American flag shirts have finally arrived! Order now to get them in time for 4th of July parades. See Mike Cannizzaro to order yours today! \$40 each.

RAIN DRENCHES HOPES FOR CLUB'S 'CARS & COFFEE' EVENT

Article contributed by Member Shelly Kennedy

THE much-anticipated AMCOMC Cars and Coffee event scheduled for May 19 at the Little Silver Woman's Club unfortunately fell victim to continued bad weather. While the forecast changed throughout the week, by the weekend it was clear that the rain would return and the event should be canceled. There is no "rain date reschedule" at this time, but the C&C may be rescheduled if there is sufficient interest.

VOLUNTEERS NEEDED!

The 2018 AMCOMC Summer Picnic is scheduled for **Saturday, July 21, 2018** at the Davis Farm in Wall! Volunteers are needed for all picnic positions.

MAST STUDENTS PRESENT ECO- MARATHON ENTRY AT MEETING

Article contributed by Member Shelly Kennedy

TWO MAST students gave an exciting talk about their project to develop a vehicle for the Shell Eco-Marathon. The students described the global competition and some early thoughts about their entry, which will be gasoline-powered. One gasoline-powered entry in a prior year achieved 2000 mpg (that's not a typo). The MAST student team is holding a car show June 30 to benefit this project. More information can be found on the club's Events page at www.amcomc.org.

FROM THE GAVEL

ANOTHER season of fun in the sun has arrived and AMCOMC shows no signs of slowing down.

While the St. Patrick's Day and Memorial Day parades and festivities are in our rearview mirrors, we are looking at the road ahead to the 4th of July Parade at Ocean Grove and our Club's Summer Picnic at the Davis Farm.

While never forgetting some of the fun car shows we have been participating in for many years that have become a yearly ritual for many members, these events are now our main focus. Club participation in these events are at its highest level ever, demonstrated by the 'most participated' trophies that we continue to win.

Our club's spirit is also at an all-time high. Our club's attire and the newly added flag polo shirts spruce everyone's club spirit with a sense of fun and fellowship, in preparation for yet another long summer season.

We have plans for yet another spectacular summer picnic for all of our club members to enjoy. This year's picnic is scheduled for Saturday, July 21, 2018, with a rain date of Sunday the 22nd.

We will be having everyone's favorite BBQ food, music, prizes, and much more. This year's summer picnic will be held at the Davis Farm, located at 3030 18th Avenue in Wall. The picnic is FREE to all members who are current with their dues, along with their immediate family. A \$10.00 charge for non-members will be collected at the entrance to the event.

Let's make this year's summer picnic a SAFE, fun-filled event that will be the envy of all of those who aren't able to attend. As always, please see an Executive Member if you would like to volunteer, or email picnic@amcomc.org.

Wishing you endless miles and memories,
