## OCT. SOCIAL CALENDAR: TOURS, COFFEE, AND FUN: OH MY!

**T**HE most recent tour attended by AMCOMC was at the MTMNJ (Military Technology Museum of New Jersey), where we were fortunate enough to visit two years in a row. The exhibition is outstanding and museum founder Dan Janquitto, together with Rick Wark and James Di Giovanni, amazed the crowd of members and friends with their knowledge of the many one-of-a-kind vehicles, military gadgets, and equipment on display.

The MTMNJ at Camp Evans is the home of many innovative inventions that aided in the war effort. Stories of unbelievable bravery were made possible because of the designs and the technology invented here. Some of the products of Camp Evans were laying the blueprint for technology that would advance warfare for the USA. It was a far cry from the horse-and-buggy military soldier!

AMCOMC would like to thank Dan, Rick, and James for the instructional tour of the magnificent museum. We also want to thank club member Anthony Manfredi and his wife Barbara for arranging the wonderful tour and the breakfast spread that they so kindly supplied. We'd also like to thank Scott Longfield for taking beautiful photos of some of the amazing artifacts we were so privileged to have witnessed. Many photos will be available on our website for you to view and share with your friends!

Another great garage tour had AMCOMC invited by Stu Berg, to join master car builder and custom hot rod guru Rob Ida to a special unveiling of Jack Kiely's 1953 Tucker Twin Turbo, which will be displayed at the 2017 SEMA Car Show in Las Vegas.

Members and sponsors alike came out to view this masterpiece of automotive history. Forty of our members proudly wore club shirts, jackets, and hats, making it appear as though the club had hosted the event. We are fortunate and honored to have been invited.

We want to congratulate and thank Jack Kiely, Bob Ida, Sr., and Rob Ida for a magnificent display of such a beautiful and rare car – 'The Tucker.' The workmanship and time that went into the build was tremendous and was very evident in the final product. A special 'thanks' also goes out to all of our members who attended this fine event. You demonstrated great poise and character, representing our club honorably. We thank you all for that!

## AMCOMC WINS AT HERSHEY 2017

**A** huge 'congratulations' goes out to our club members who participated and won at Hershey this year! This is a monumental event and many of our club members have been going to Hershey for over 30 years. Jules Baron is one that comes to mind – not only does he attend as a spectator, but he is directly involved with the festivities.

## STOEBER JOINS 'CENTURY CLUB'

**C**LU B member Rick Stoeber recently celebrated a huge accomplishment with his receipt of an award and entry into the 'Century Club' by the Antique Automobile Club of America for his 1911 Cadillac. **Please join us in congratulating Rick on this huge accomplishment!**

## FROM THE GAVEL

AS the holidays rapidly approach, I want to take a moment to reflect on the great year that AMCOMC has had. We are recognized as a rapid-growing and very active car club by other car clubs and car enthusiasts alike. Membership is at an all-time high.

Garage tours, parades, and car shows are some of the highlights we have been privileged to attend and participate in. Winning the most participated car club award FOUR TIMES at different venues this year was a sensational feat!

Planned events like our very own Cars & Coffee at the Woman's Club, the Parker Homestead-1665 car show event, the great summer picnic at the Davis Farm to the slew of special invitations to private events such as Rob Ida's garage, Rick Stoeber's garage, Frank Barone's garage, Sonny Schwartz's tour, the recent MTMNJ tour at Camp Evans, to our monthly cruises at New Monmouth Diner and The Sitting Duck. We also want to be sure to remember the Ocean Grove 4th of July parade and many other great shows all over Monmouth County and surrounding areas.

I'm also eagerly looking forward to our holiday party at MJ's at the Buttonwood Manor in a few weeks. I will look to continue the forward momentum, finding more exciting places to visit and bring our cars where we go if I secure the votes for the position for the 2018 season.

More importantly, getting to know you as individuals is really important to me. You bring so much more to the table than just being members of a car club in a meeting hall. You emit such a sense of fellowship and joy when in each other's company. I am really honored and thankful to be part of this magical time in our club's history as your current President.

*Wishing you endless miles and memories,*
