GREAT TEAM, FOOD, FLICK HELP DRIVE-IN GET 'TWO THUMBS UP'

AMCOMC's first-ever Drive-In Movie Theater was held on Saturday, October 19, 2019 at the Davis Farm. We were graciously hosted by Pasquale and Vincent Del Ponte and with the audio/video expertise of Paul Dunlap, we're still the hottest ticket in town!

The perfect combination of sight, sound, topical movie choice ("American Graffiti"), and those in attendance helped bring those colorful cars in the movie to life. We also had gourmet catering from RoBeans – including hot dogs, supreme nachos, popcorn, and other treats that were available throughout the night. This was such an awesome event and we're looking forward to doing more of these events next season. Thank you to everyone who attended and helped out with setup or breakdown!

SPOTLIGHT: VOLUNTEER DRIVES

AS we near the season of giving, our goal is to break last year's food drive donation amount of 518 pounds. Our current trajectory puts us on track to surpass last year's overall weight, but we need your help to do it! We want to thank all of our members for their generous contributions to our community via Lunch Break. Volunteers are welcome to help with the delivery.

The newly formed Coat Drive for December is moving along nicely. Please bring any coats (in a condition that you'd consider appropriate for yourself to wear) to our December club meeting for donation to Lunch Break.

‘THE GAVEL’: A MESSAGE FROM CLUB PRESIDENT JACK TORRES

HERE we are again at the end of another spectacular season full of car shows, parades, and more club-sponsored events than ever before. I’m so proud of the work that we’ve done this year between our annual picnic and holiday event, cars-and-coffee, drive-in theater special event, and bus tours.

A tradition that I personally love is when members setup tents with breakfast and lunch nooks with enough food for everyone to partake. This shows the character of our members and becomes contagious – and we welcome it! Our members demonstrate this unique quality time-after-time, like the Red Bank car show in July, the Allaire State Park Rolling Iron car show in September, and the 4th of July parade at Ocean Grove, just to name a few.

This year was also filled with great special events! Like our member sponsor Mike Bavaro’s Bodymotion with a wonderful BBQ party and car show. We also had Rick Stoeber’s garage tour, allowing us to check out the amazing projects and beautiful cars that he is working on.

A rare and seldom-seen collection of fine automobiles was available to us in the form of John Shibles’ ‘Backdoor Garage.’ An event that also deserves mentioning is last year’s season-ending exhibit at Ray Catena. But we didn’t stop there! A few weeks’ back on November 2, we had a garage tour at Ron and Chris Rauso’s AutoWorks, a one-stop shop for mobile electronics and accessories to personalize your ride.

These are just a few examples of the great events that we participate and/or sponsor and had a wonderful time doing so as a club.

My sincere ‘thanks’ goes out to all sponsors, members, and friends who joined us in making this year such an overwhelming and outstanding year of growth for our club. I am looking forward to another great season next year and for years to come.

Wishing you endless miles and memories,

Jack
