## 2018 NJ CONCOURS D'ELEGANCE DAZZLES IN BUCKS MILL PARK

THE 2018 New Jersey Concours D'Elegance's show date was held on Saturday, September 29, 2018 at Colts Neck's Bucks Mill Park. The Concours is a great place for car enthusiasts to check out automobiles of today and yesteryear.

The grand stature of the 1920s and 1930s Packard's, Lincoln's, Cadillac's, and Buick's made the grounds such an historic, majestic area. The newer cars of the 40s, 50s, 60s, and 70s were spread out within the areas of the property as well, creating a nice selection for every age bracket in attendance at the show.

A huge congratulations goes out to all involved in putting this monumental task together. A special recognition to Member Kevin Keenan for his dedication and hard work helping in this year's event. A congratulatory mention also goes out to any club members who entered their beautiful cars into this year's competition.

We were also very happy to support this year's Concours by taking ad space out in their program (below). Thank you to Administrative Director Sean Fitzgerald for designing the ad and getting it into the correct hands.

We want to thank our hosts Carroll & Kevin Keenan for the invite.

## FROM THE GAVEL

ANOTHER year is already ending and yet one of the club's most important events hasn't taken place just yet. At our September 2018 club meeting, a very important vote was taken on the location of where we will be hosting our annual Holiday Party – including the overall venue and style of dinner (sit down vs. buffet).

I am pleased to announce that by an overwhelming majority of live voters (42 of 54), we will be hosting our event at MJ's Buttonwood Manor once again, with the date of **December 8, 2018 from 12:00pm to 4:00pm** being confirmed.

Member Sponsor and Banquet Director Sue Fitzgerald has honored our same cost for three years in a row (by now, this ticket price should be \$15 per person more than what we're paying for it!) and has even thrown in an additional station out of appreciation that we have continued our relationship with their establishment. The offered option (mac n' cheese bar, fajitas station, or ice cream sundae bar) will be discussed and voted on at our October meeting.

Our holiday event will have everyone's favorite dishes in a buffet style, along with our giveaways and fundraisers. Once again, our per-person cost will be \$40 for this event.

I also wanted to highlight a repair shop that we've been having conversations with. Finding a descent repair shop is hard – try finding a good one that caters to antique cars and one that does your car in weeks and not years. Many of us 'DIY-ers' spend so much time putting together a project car, often eventually losing interest and moving onto other projects.

Well, your questions have been answered – I found a fully-equipped restoration shop nearby in Marlboro, NJ. Ken at Boundry Line Auto Body is the 'one stop shop' that can fabricate any sheet metal, repair, and do body and paintwork that will amaze you. We've been working with Ken on having a garage tour to show off his abilities. Stay tuned!

*Wishing you endless  
miles and memories,*

*Jack*

## SHIBLE'S GARAGE TOUR WOWS GUESTS WITH COLLECTION

JOHN Shible's garage tour took guests a step back in time and car enthusiasts all over the world would love to see the prestigious automobiles displayed at John Shible's Back Door Garage - a great display of the world's finest automobiles under one roof. We want to extend John and his lovely fiancée Jill our gratitude for their hospitality and generosity giving their time, food, and beverages to our members. Wow – I would pay to see this exhibit!

A special thank you also goes out to Vincent and Pasquale Del Ponte for their delicious donation of pastries and danishes. What a great combination – John's automobiles and Del Ponte's delicious pastries.

## BUSLOAD OF AMCOMC MEMBERS ENJOYS PENNSYLVANIA BUS TRIP

THE bus trip to Pennsylvania turned out to be much better than we could have imagined! Over 1,000 cars – all makes and models – were displayed at the refurbished mall. A busload of members and friends experienced the two-hour trip to see this magnificent collection of cars at the newly converted antique car museum and auction. Food and treats were also brought by Carroll of Delicious Orchards – where the trip stepped off from. Stay tuned for another trip – dates and times are in the works!
