AMCOMC'S HOLIDAY EVENT PLANS FINALIZED – LET'S PARTY!

Your votes were counted and for the second year in a row, our holiday party will be held at MJ's at the Buttonwood Manor in Matawan, New Jersey. Awards, food, prizes, and many other surprises are planned for what is sure to be the event of the year.

This year, we were able to secure a date in early December to truly have a holiday celebration at the height of the season. Our event will take place on Saturday, December 9, 2017 from 12:00pm to 4:00pm.

In addition to securing the coveted date, we are also going to be hosted in the larger Lakeview banquet room in the private downstairs area of the facility. Our sponsor Sue Fitzgerald was able to secure all of these extras and perks and matched our pricing from last year! Thank you to Sue and the Buttonwood staff in advance for what is sure to be a beautiful afternoon.

If anyone is interested in signing up for a role on the Holiday Event Committee, please feel free to chat with one of the AMCOMC Executive Team Members.

The price for this year's event will be \$40/person and we will start collecting at September's meeting.

AMCOMC SETS UP TENTS AT ALLAIRE STATE PARK, WINS BIG

The 22nd Annual Rolling Iron Auto Show at Allaire State Park was a fantastic event. AMCOMC took over the place again, setting up tables and tents as if we were camping out. There was food and drinks for everyone and we all had a great time. Congratulations to George and Sharon Salzman for winning top prize with their nationally recognized, award-winning Avanti!

OPEN SPACE PACE & FESTIVAL OF HORSES LARGER THAN EVER

On September 16, 2017, the sixth annual Open Space Pace and Festival of Horses was held at Freehold Raceway. AMCOMC was front-and-center in the parade which included Miss New Jersey, the famed Wells Fargo stagecoach, three high school marching bands, and a record number of horses and riders. There were some great photos posted by the event's hosts and we are attempting to repost them on our website with their permission. If you have photos, please send them!

We want to acknowledge and thank club member Zach Gross for the invitation to this wonderful event!

PIER VILLAGE SHOW A SUCCESS

On September 10, 2017, the Long Branch car show at Pier Village raised money for a great cause at the Ronald McDonald House. The move from Father's Day could have derailed the show or ended it all together, but with the support of our club members and our own Lee Greenwood, the day went off without a hitch. This event is one of the many events that we are proud to be a part of.

As mentioned, this event is a Ronald McDonald House charity fundraising event and a popular beachfront car show for all ages. A sizable donation from the event coordinators will be presented to the charity, largely by the support from car enthusiasts like our members!

FROM THE GAVEL

Our club has been in an upward spiral for the last few years. We have progressed in every direction that we have committed ourselves to. We are evolving as a club and as we become more diverse in the type and variety of cars that we have in our roster, we will never forget the antique and vintage automobiles. As the years go by, today's cars become tomorrow's antiques.

Every year around October and November, the car show schedule starts winding down and we start considering potential candidates to run for office for the following calendar year. We have to look at each position carefully and try to fill every position with the best candidates available to continue this positive movement to be the best car club we can be.

As always, any member requesting to look at our finances or review our tax returns may do so via a formal request in writing, which will be granted at the following club meeting.

There are many responsibilities to consider when running for office. The most important one is to have your heart and mind in the office you are looking to hold and being a people person is definitely a plus. Having the best intentions and the interest of the club is the goal – self-promoting is not what the office is intended for. Communication is essential to our progress and computer skills are important, but are not necessary.

Nominations take place during the October and November meetings, while the election and ballot voting takes place at our December meeting or holiday party in December. Office commencement begins in January of the following calendar year. All offices are open to be filled – as follows: President, Vice President, Treasurer, Secretary, Administrative Director, Event Coordinator, Webmaster, Newsletter Editor/Publisher. We also have non-office support positions: Apparel Officer, Refreshments Officer, and Meeting Hall and Ground Control Officer. With your continued support, we will make our organization the best that it can be.

Wishing you endless miles and memories,
