Rick Stoeber	Editor	(732) 530-9561

Next Meetings:
August 19, 2015
Sept. 16, 2015
8:00pm

On Saturday, July 18, 2015, the club picnic was held at the Davis Farm in Wall Township. The picnic was a rousing success and was enjoyed by everyone. There were about 100 people and 35 cars in attendance. We were all very lucky that the weather held out and we were able to enjoy the beautiful scenery.

President Jack Torres, Vice President Charlie Wines, and Treasurer Rick McKenna spent a great deal of time and effort in planning this wonderful event. Jack summed up the picnic with proper accolades in his July 22 email to all club members. Please see below for Jack's email and thanks again to all for your attendance, support, and generosity during the picnic.

"A special thanks goes out to those who made the event go so smoothly. Folks like Charlie Wines and Rick McKenna helping in the planning of this monumental event; Charlie and Lynn Jackson with their experience with checking-in and crowd control; my wife Wanda and daughter Danielle as Charlie and Lynn's relief and passing new member recruitment forms and signing up five new members; Sean Fitzgerald on the mic as MC, DJ, and door prize/gift card caller... and the Ledo family (George, Lisa, Connor, Amanda) and Sandy Wines helping with the cooking, cleaning, and organizing of the food. The McGuire Family (Michael, Bobbie, and Emily) for supplying all our paper goods and silverware. Our very own grill master Jim Cattelona and wife Sandy who prepped food, salads, and side dishes. Les and Sharon Barr, who supplied a backup grill, a five-burner propane gas grill. Rick and Marie Stoeber for bringing their beautiful Locomobile steam car for everyone to ride and enjoy. Mark Halsband taking pictures and recording this event for everyone to remember and everyone who volunteered."

Our club president Jack Torres recently found himself in the repair shop at Riverview Medical Center with a work order for a minor tune-up and a new filter and spark plugs. He would like to send his sincere thanks to everyone who reached out to him during his time in the hospital and during recovery.

Club member Larry Russomanno passed this month. He is remembered as being an active member with his Model A Ford, always at the ready for any club need. The Club extends its condolences to his family during this time of loss.

There are some major events going on this August. The 20th Annual Rolling Iron Antique Auto Show will be held in Allaire Village on Sunday, August 16. This event gets a lot of older vehicles (about 250 in total) that don't typically come out to the smaller shows.

Another major event is Cars & Coffee in Millstone on Sunday, August 30. They usually get over 500 vehicles attending, including everything from antiques, classics, street rods, tuners, and some modern muscle as well. Check their website for info.
