On Wednesday, May 20, the club held its first meeting in our new home: The Woman's Club of Little Silver. It appeared as though everyone in attendance enjoyed the spacious new accommodations in the meeting hall. As an added bonus, the Woman's Club is housed on a private parking lot so that members can bring their collector cars out to the meetings.

During the meeting, we had a guest speaker of the MetLife Premier Client Group, Anthony Canderozzi, along with AMCOMC member Dave Shaw, to discuss estate planning. The presentation was geared specifically toward antique car owners and their prized collections. Anthony and Dave touched upon several eye-opening points and had a rousing question-and-answer session following their demonstration. The MetLife Premier Client Group is also a member sponsor through Dave Shaw. We would like to send a sincere thank you to Anthony and Dave for their professional insight on a topic that is not often discussed.

A second guest speaker was present at our May 20 meeting as well. Jeff Cruz, Director of the Monmouth County Concours d'Elegance. Jeff discussed how the Monmouth County Concours d'Elegance has raised over \$500,000 for various charities over the past five (5) years. Jeff proudly announced that the designated recipient charity for the 2015 event will be 180 Turning Lives Around, Inc., a non-profit organization dedicated to ending domestic and sexual violence in our community. For more information on 180, visit their website at www.180nj.org. This year's Concours d'Elegance is scheduled for Saturday, October 3, 2015 at Hop Brook Farm in Holmdel. We encourage all members to make their best effort to attend this wonderful event. We're hoping that the 2015 event will exceed everyone's expectations and raise plenty of money for this great cause.

Speaking of Concours events, AMCOMC's own Mark Halsband won his class (Best American Sports Car) at the recent Greenwich Concours d'Elegance in Connecticut with his 1964 Avanti R2. Congratulations, Mark! Well done and well deserved.

One of our newer members, Russ Arnone, received the high score of 98 out of 100 at the Porsche Meet with his 1971 Porsche 914 Limited Edition "Bumble Bee". Such a beautiful car and a beautiful win for Russ and the club. Congratulations!

At the May meeting, AMCOMC President Jack Torres also presented Editor Rick Stoeber with an Excellence Award for his outstanding garage tour and presentation that he gave in April. Rick truly exemplified the club's mantra of loving antique cars and sharing the sport with others. Thanks again!

Collector Car Appreciation Day is Friday, July 10. This is a federally recognized day to honor the historical significance the automobile has made in the USA. Make sure you drive your collector car on this day with pride. Always remember to drive safely!
