All of us at the Antique Motoring Club of Monmouth County wish to honor and pay our respects to all of our living and fallen heroes of the 9/11 tragedy. We plan to have a special moment of silent prayer for all of our lost friends, loved ones, the affected families, our heroes of the police, firefighting, and paramedic units, and everyone who rushed to the scene to help the injured and the defenseless, showing unimaginable bravery in a time of tragedy, grief, and uncertainty.

Days after the tragedy, workers from every branch of service, including volunteers from every state in the country – even foreign countries – came out to help in any way possible. They put the needs of our country and their fellow men and women before themselves, showing the true spirit of heroism and Americanism in this monumental search and rescue effort. We salute our soldiers from all branches of our military, serving both here and abroad, protecting our way of life and our freedom. God Bless America!

The Monmouth County Concours D'Elegance is just weeks away! New Jersey's Classic Motorcar Festival will showcase 135 premier collectible antique automobiles and motorcycles, ranging in years from 1900 to 1974. The event takes place on Saturday, October 03, 2015 at Hop Brook Farm in Holmdel from 10 am to 4 pm. We have several of our club members who will be entering the show! Good luck to all who are entering, especially those from the club. A large number of members will also be in attendance at the show supporting our entering members – be sure to say hello!

During our last club meeting, a unanimous vote opted to change the start time for our club meeting to 7:30pm (from 8:00pm originally). Out of 37 members present, 37 "yay" votes were casted, which also moves the closing time ahead to 9:30pm from 10:00pm. The new start time will become effective as of our meeting on September 16. A reminder was posted on the website to alert all who were absent.

We will also be holding another club auction during our meeting on September 16. Check your garages attics, basements – wherever! – and bring in something that we can auction off. Don't forget to bring along a few dollars so that you can take some treasures back home as well – don't forget that all proceeds go to the club! As always, our very own Jules Baron will be our Auctioneer. Thanks in advance to everyone who will be participating.
